Drawn on Saturday, 23 May 2026 at 11:00am

Participants are encouraged and invited to scan the QR code, follow the links and pay.

Please air and share these posters or flyers through your networks, sports and bowls clubs etc.

The more we sell via the QR code or web link on the flyer, the more funds we 'the association' are allocated back when the raffle closes.

70% of sales are returned to the clubs and associations, this is Rotary's way of directly supporting and sponsoring community clubs.

We can utilise these monies for our welfare projects and association activities.

For those who are not familiar with this type of interface or technology, then the transaction may require a committee person or competent to enact a cash transaction their behalf registering ticket in the participants name online and effectively taking a direct payment.

It is all online like many other raffles and lotteries these days and a small fee is applicable to the transactions!

The poster is titled "Raffle Procedure" and features the Rotary Ballarat South logo in the top right corner. A yellow starburst in the top left corner contains the text "Community Assistance Raffle". The main content is a list of seven steps, each preceded by a checkmark, detailing the process from scanning a QR code to the distribution of funds at the end of the raffle.
